Google 3rd Party Web Applications (other than those made available by Hwb)

Controls not possible

[No controls]

Important note: Users or administrators who chose to allow Hwb accounts to access third party apps and/or Google Apps and Extensions for Chrome, including apps provided through managed Google Play, **do so at their own risk and the Welsh Government accepts no responsibility for their use**. It is the user's or administrator's responsibility to read and accept the terms and conditions and privacy notices of each third party app and Google apps and extensions for Chrome that they choose to use.

Google Add-ons

Control of these services is managed by the Welsh Government Hwb Team.

[Non-delegated services]

Google add-ons are NOT AVAILABLE on the Hwb domain.

What is a Google add-on? Add-ons are customized applications that integrate with applications such as Google Docs and Google Sheets and can be identified in the Google marketplace as such e.g. 'Docs add-on', 'Sheets add-on' etc.

Service	User Type					
	Learner	Staff	Governor	Non-MIS (e.g. service account)	Supply Teacher	Regional Consortia & Local Authority staff
Chromebook Management - Google apps and extensions for Chrome… that require access to G Suite API or Single Sign On (SSO) Control of these services is managed by the Welsh Government Hwb Team. [Non-delegated services]						
Google apps and extensions that **require access to G Suite API or Single Sign On (SSO) are NOT AVAILABLE on the Hwb domain.** **What are Google apps and extensions for Chrome?** Apps or extensions may be added to give a Chromebook more features and functionality. These apps or extensions work like regular programs for desktop computers, but they run entirely in the Chrome browser. It is not necessary to install software or restart the computer. This type of app or extension can be identified in the Chrome Web Store as "Works with Google Drive".						
Chromebook Management - Google apps and extensions for Chrome… that **do not** require access to G Suite API or Single Sign On (SSO) Control of this service is delegated to local authority Hwb administrators and school digital champions. [Delegated service]						
Apps and extensions that **do not** require access to G Suite API or Single Sign On (SSO) are **delegated** by the Welsh Government Hwb Team to local authority Hwb administrators and school digital champions. **Important note:** Users or administrators who chose to allow Hwb accounts to access third party apps and/or Google Apps and Extensions for Chrome, including apps provided through managed Google Play, **do so at their own risk and the Welsh Government accepts no responsibility for their use**. It is the user's or administrator's responsibility to read and accept the terms and conditions and privacy notices of each third party app, Google apps and extensions for Chrome that they choose to use. **What are Google apps and extensions for Chrome?** Apps or extensions may be added to give a Chromebook more features and functionality. These apps or extensions work like regular programs for desktop computers, but they run entirely in the Chrome browser. It is not necessary to install software or restart the computer. This type of app or extension can be identified in the Chrome Web Store as "Works with Google Drive".						
Chromebook Management - Managed Google Play ('paid for' NOT free apps) Control of this service is managed by the Welsh Government Hwb Team. [Non-delegated service]						
'Paid for' apps are NOT AVAILABLE on the Hwb domain. **What is Managed Google Play?** Managed Google Play is the content marketplace for Android enabling organisations to browse and manage apps from the managed Google Play store.						
Chromebook Management - Managed Google Play (FREE apps only) Control of this service is delegated to local authority Hwb administrators and school digital champions. [Delegated service]						

Service	User Type
