

Steps to Success

Check list:

- 1 Register your school to participate in the competition - <http://bitly.ws/vrYb>
- 2 Access the resources to support the competition
- 3 Review all the resources that support the competition
- 4 Plan how you are going to use the resources for your learners

- 5 Take learners through the following stage:
 - Explorer and investigate the Principality Stadium / link to relevant follow-up activities
 - Research community needs / desires
 - Plan the build
 - Build your communities Club of the Future
 - Add information to the world
 - Create video walkthrough of world (*approx. 5mins in length / mp4 format*)

- 6 Run your local (school) competition - using the Marking Criterion Rubric to score and assess the learners builds
-  7 Get Social – Tweet about all the fantastic work
- 8 Give all learners who participated a certificate (download from the Team site)
-  9 Get Social – Tweet pictures of your learners with their certificates
- 10 Choose which group(s) is going to represent your school at the relevant Progression Steps entry levels

- 11 Get ready to submit your schools' finalist for each entry level:
 - Create a folder, add the video walkthrough (mp4), create a link to the folder
 - Create a folder, add a copy of the world, create a link to the folder
 - Create a folder, add any planning documentation, additional evidence the learners have created to support the entry, create a link to the folder
 - Have the score on each rubric area at hand ready to entry on to the submission form
 - Have the names of the learners who created the world at hand ready to entry on to the submission form

- 12 Submit your schools' finalist for each entry level
- 13 Cross your fingers and toes
